

Kindergarten Registration 2010-2011

Champion Central Elementary School is now registering students for the 2010-2011 kindergarten classes. Registration packets are available for pick up at the Central Elementary main office, at your convenience.

If you currently have a student attending Champion Central, you may request that a packet be sent home with your child.

In order to complete the registration process, we will need an original copy of the child's birth certificate, social security card, immunization record, and current gas or electric bill for proof of residency, along with the completed registration packet. Also, if applicable, an original copy of current custody papers, complete with the court seal is needed.

In order to receive a spring screening time for your child, your completed packet must be received by April 6, 2010.
