

IMPORTANT CHANGE

Champion Local Schools

You will be required to use the **SchoolMessenger SafeArrival** system to report your child's absence.

SafeArrival provides three convenient methods for you to report your child off school:

1. Mobile App: **SchoolMessenger app (free)**

- Get the app from the Apple App Store or the Google Play Store
- Tap **Sign Up** to create your account
- Select **Attendance** from the menu, then select **Report an Absence**
- This option uses the email address you have provided to the school

2. Website: [Go.schoolmessenger.com](https://go.schoolmessenger.com)

- Go to the website
- Click **Sign Up** to create your account
- Select **Attendance** from the menu, then select **Report an Absence**
- This option uses the email address you have provided to the school

3. Phone: **1-844-380-7214**

- Call the toll-free, interactive telephone system
- Follow the instructions to report an absence

Similar to our current system, you will be contacted by **SchoolMessenger** when your child is absent without prior notification. If the system is unable to reach the designated contact, our office staff will follow-up.

Thank you for your patience as we implement this new system.
