

# Champion Local School District

January 8, 2021

**Dear Parents:**

Students that have been doing 100% remote learning with the district may now make the decision to return to our hybrid in-person learning model beginning the week of January 25th. You will need to fill out the "Return to In-Person Learning" Google Form by Friday, January 15th. If you have questions prior to making your decision, please contact the school in which your child attends. You **do not need to fill out the form unless you plan to switch** your child from 100% remote learning to in-person hybrid learning. Please keep in mind that an increased number of students may create larger class sizes, and students may not be distanced at 6 feet apart in all classes and during lunch. Also, please consider the following changes that may be impacted at each building:

**CES:** 100% remote learners who choose to change to the hybrid model for the second semester will be assigned a new teacher and join with hybrid classrooms when they return. Typically, 100% remote learners are ahead in the curriculum based on class time with the teacher four times per week.

**CMS:** Parents need to know that this is a commitment for the remainder of the school year. If students come back from remote to hybrid there is a possibility of a change in ELA and Math teachers. Students will have the additional classes of band/choir, art, STEM and physical education/health.

**CHS:** Parents of online students requesting a return to in-person learning will have to make an appointment (in person or via phone/zoom) with one of our CHS school counselors to determine their eligibility to return. The second semester curriculum/pacing of in-person learning may not "match up" with their online syllabi.

**Busing:** Parents MUST fill out the Student Bus Form if they are no longer 100% remote learners and need bus transportation. Bus changes take 48 hours to go into effect. The form is located at:

<https://www.championlocal.org/docs/district/altbusing.pdf>

Please use this link to access the remote learning change form:
