FOR THIS UNIQUE LEARNING EXPERIENCE**

The Trumbull County ESC has secured a grant to establish a new STEM Program during the second semester of the 20-21 school year. The funding was made available through the Ohio Collaborative for Educating Remotely and Transforming Schools.

---

The free program, which runs January 25, 2021-March 26, 2021, will be conducted remotely. Projects and challenges will immerse students in a creative, innovative and collaborative experience.
